Dear Pearl -

Herewith the final statement from the bank on the SEAALL account. I do sympathize with you and all those darned files - I did find, however, that now and then I had to dig back in them to find something like a ballot form or a copy of the constitution and by-laws or some such foolishness.

Pauline came back to the Library yesterday - just over three months from the date of her accident. We think it remarkable, but she is an indomitable type! Needless to say, it is great to have her back, I'm exactly three months behind on everything I usually do.

If there is anything missing or unclear in the various files or accounts, let me know if I can help clear it up!

Yours,

*Mary*
